

Hello Dell Rapids!

You may have heard that we are trying to get a more "local" newspaper up and running for the Dell Rapids and Baltic areas, and we are very close!

We hope to have the first inaugural issue printed on June 27. This first issue will be a saturation where everyone will get an issue with a PO Box or Route in the Dell Rapids postal service area. After that, it will be subscription only.

So we would like to get this special deal out to the community. Subscribe today!
